Cash Flow Management Group  
5722 South Flamingo Road  
Suite 815  
Cooper City, Florida 33330

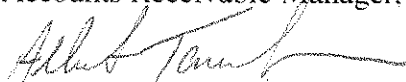

Tem Systems, Inc. has been using the collection services of The Cash Flow Management Group since 1993.

Over the years Cash Flow has been able to recoup a large amount of past due balances that Tem was unable to collect in a timely manner.

We highly recommend the Cash Flow Group for all your past due account collection needs.

All the personnel are very highly professional and are in constant contact with their customers to keep them well informed on the progress of each account in the collection process.

Accounts Receivable Manager,

Albert Tanenbaum
